

Welcome to SOTE

Students do not simply learn about technology. They operate a real teaching ecosystem connecting networking, systems administration, virtualization, cybersecurity, help desk operations, certification preparation, applied research, and workforce readiness.

Complete your First Signal mission

1. Start in CEIT 325 Classroom.
2. Visit Mission Control, Rocket's Forge, and Cyber Defense Command.
3. Find one support task, one infrastructure task, and one cyber defense task.
4. Earn your Technology Cadet badge.

Meet the characters

Ace - student support and leadership hero.
Professor Rocket - Chief Engineer and Forge Master.
Sir Kingston - cyber defense sentinel.
SOTEE - AI knowledge and mission assistant.

Visit the zones

CEIT 325 Classroom • Mission Control • Rocket's Forge • Western Pennsylvania Cyber Defense Command • Patch Bay Alpha • Rocket's Engineering Bay • Ace's Support Command • Command Briefing Room • Rocket's Launch Pad

Earn your first badge

Technology Cadet starts the Student Technology Corps path.

Access. Learn. Build. Defend. Lead.
